OFFICEMAX ANNOUNCES PRELIMINARY RESULTS OF TENDER OFFER

ITASCA, Ill.—OfficeMax® Incorporated (NYSE: OMX), a leader in office products and services, today announced the preliminary results of its modified "Dutch Auction" tender offer to purchase up to 23,500,000 shares of the company's common stock. The tender offer expired at 12:00 midnight, New York City time, on Monday, May 9, 2005.

Based on a preliminary count by the depository for the tender offer, approximately 23,667,272 shares of common stock were properly tendered and not withdrawn at a price at or below \$33.00 per share, including 15,745,159 shares that were tendered through notice of guaranteed delivery. Based on these preliminary results, the company expects to purchase 23,500,000 shares of our common stock at a purchase price of \$33.00 per share. Because the number of shares tendered at or below the purchase price exceeds the number of shares the company expects to purchase, the preliminary proration factor for the tender offer is 99.29%.

The number of shares to be purchased, proration factor and purchase price per share are preliminary, and subject to confirmation by the depository of the proper delivery of all shares tendered and not withdrawn. The actual number of shares purchased, the final purchase price, and the final proration factor, if any, will be announced following completion of the verification process. The company will then promptly commence payment for the shares of common stock accepted for purchase, and return all other shares tendered and not accepted for purchase.

Investor questions concerning the tender offer may be directed to the information agent, D.F. King & Co., Inc. at (800) 347-4750, or the dealer manager, Goldman, Sachs & Co. at (800) 323-5678.
