Long-Term Equity Incentive Plan (the "Plan"). 5,237,500 of such shares were previously registered to be offered under the Office Depot, Inc. Omnibus Equity and the Office Depot, Inc. Amended Directors' Stock Option Plan (the "Prior Plans"). Registration statements on Form S-8 were filed with the Securities and Exchange Commission under Registration Nos. 33-62801 and 33-62781 for shares of the Company's Common Stock to be issued pursuant to the Prior Plans and their contents are incorporated herein by reference.

In addition to the documents incorporated by reference to the foregoing, the following documents filed by the Company with the Securities and Exchange Commission are incorporated herein by reference except to the extent that any statement or information therein is modified, superseded or replaced by a statement or information contained in any subsequently filed document incorporated by reference.

1. Annual Report on Form 10-K for the Fiscal Year ended December 28, 1996.

Item 4. DESCRIPTION OF SECURITIES

Not applicable.

Item 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Office Depot, Inc. is incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware ("Section 145") provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may indemnify any persons who were or are parties, or are threatened to be made a party, to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorney's fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

The Company has included in its Restated Certificate of Incorporation and bylaws provisions to indemnify its directors and officers to the fullest extent permitted by the Delaware law, including in circumstances in which indemnification is otherwise discretionary under the Delaware law.

Section 102 of the General Corporation Law of the State of Delaware allows a corporation to eliminate the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except in cases where the director breached its duty of loyalty, failed to act in good faith, engaged in intentional misconduct or a knowing violation of law, authorized the unlawful payment of a dividend or approved an unlawful stock redemption or repurchase or obtained an improper personal benefit. Office Depot's Restated Certificate of Incorporation and bylaws contain provisions which eliminate directors' personal liability as set forth above.

Item 7. EXEMPTION FROM REGISTRATION CLAIMED

Not applicable.

Item 8. EXHIBITS

See "Index to Exhibits."

Item 9. UNDERTAKINGS

1. The undersigned Registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrants' annual reports pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of the Plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

2. The undersigned Registrants hereby undertake (a) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; (b) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their respective counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the filing requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Delray Beach, State of Florida on February 4, 1998.

EXHIBIT 4.1

OFFICE DEPOT, INC.
LONG-TERM EQUITY INCENTIVE PLAN

1. PURPOSE.

This plan shall be known as the Office Depot, Inc. Long-Term Equity Incentive Plan (the "Plan"). The purpose of the Plan shall be to promote the long-term growth and profitability of Office Depot, Inc. (the "Company") and its Subsidiaries by (i) providing certain directors, officers and key employees of, and certain other key individuals who perform services for, the Company and its Subsidiaries with incentives to maximize stockholder value and otherwise contribute to the success of the Company and (ii) enabling the Company to attract, retain and reward the best available persons for positions of substantial responsibility. Grants of incentive or nonqualified stock options, stock appreciation rights ("SARs"), either alone or in tandem with options, restricted stock, performance awards, or any combination of the foregoing may be made under the Plan.

2. DEFINITIONS.

2.1 "BOARD OF DIRECTORS" and "BOARD" mean the board of directors of Office Depot.

2.2 "CAUSE" means the occurrence of one of the following events:

(a) Conviction of a felony or any crime or offense lesser than a felony involving the property of the Company or a Subsidiary; or

(b) Conduct that has caused demonstrable and serious injury to the Company or a Subsidiary, monetary or otherwise; or

(c) Willful refusal to perform or substantial disregard of duties properly assigned, as determined by the Company; or

(iv) Breach of duty of loyalty to the Company or a Subsidiary or other act of fraud or dishonesty with respect to the Company or a Subsidiary.

2.3 "CHANGE IN CONTROL" means, except as may otherwise be provided by the Committee, the occurrence of one of the following events:

(a) if any "person" or "group" as those terms are used in Sections 13(d) and 14(d) of the Exchange Act, other than an Exempt Person, is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company's then outstanding securities; or

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new directors whose election by the Board or nomination for election by the Company's stockholders was approved by at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election was previously so approved, cease for any reason to constitute a majority thereof; or

(c) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation; provided, however, a Change of Control shall not be deemed to have occurred (A) if such merger or consolidation would result in all or a portion of the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) either directly or indirectly more than 50% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or (B) if the corporate existence of the Company is not affected and following the merger or consolidation the Company's chief executive officers retain their positions with the Company and the directors of the Company prior to such merger or consolidation constitute at least a majority of the board of the Company or the entity that directly or indirectly controls the Company after such merger or consolidation; or

(d) the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all the Company's assets, other than a sale to an Exempt Person.

2.4 "CODE" means the Internal Revenue Code of 1986, as amended.

2.5 "COMMITTEE" means the Compensation Committee of the Board. The membership of the Committee shall be constituted so as to comply at all times with the applicable requirements of Rule 16b-3 under the Exchange Act and Section 162(m) of the Code.

2.6 "COMMON STOCK" means the Common Stock, par value \$.01 per share, of the Company, and any other shares into which such stock may be changed by reason of a recapitalization, reorganization, merger, consolidation or any other change in the corporate structure or capital stock of the Company.

2.7 "EXCHANGE ACT" means the Securities Exchange Act of 1934, as amended.

2.8 "EXEMPT PERSON" means any employee benefit plan of the Company or a trustee or other administrator or fiduciary holding securities under an employee benefit plan of the Company.

2.9 "FAIR MARKET VALUE" of a share of Common Stock of the Company means, as of the date in question, the officially-quoted closing selling price of the stock (or if no selling price is quoted, the bid price) on the principal securities exchange on which the Common Stock is then listed for trading (including for this purpose the Nasdaq National Market) (the "Market") for the immediately preceding trading day or, if the Common Stock is not then listed or quoted in the

Market, the Fair Market Value shall be the fair value of the Common Stock determined in good faith by the Board; provided, however, that when shares received upon exercise of an option are immediately sold in the open market, the net sale price received may be used to determine the Fair Market Value of any shares used to pay the exercise price or withholding taxes and to compute the withholding taxes.

2.10 "INCENTIVE STOCK OPTION" means an option conforming to the requirements of Section 422 of the Code and any successor thereto.

2.11 "NON-EMPLOYEE DIRECTOR" has the meaning given to such term in Rule 16b-3 under the Exchange Act.

2.12 "NONQUALIFIED STOCK OPTION" means any stock option other than an Incentive Stock Option.

2.13 "OTHER COMPANY SECURITIES" mean securities of the Company other than Common Stock, which may include, without limitation, unbundled stock units or components thereof, debentures, preferred stock, warrants and securities convertible into or exchangeable for Common Stock or other property.

2.14 "PRIOR PLAN(S)" means the Office Depot, Inc. Omnibus Equity Plan, the Office Depot, Inc. Directors Stock Option Plan or any other plan which these plans subsumed or replaced.

2.15 "RETIREMENT" means retirement as defined under any Company pension plan or retirement program or termination of one's employment on retirement with the approval of the Committee.

2.16 "SUBSIDIARY" means a corporation or other entity of which outstanding shares or ownership interests representing 50% or more of the combined voting power of such corporation or other entity entitled to elect the management thereof, or such lesser percentage as may be approved by the Committee, are owned directly or indirectly by the Company.

3. ADMINISTRATION.

The Plan shall be administered by the Committee; provided that the Board may, in its discretion, at any time and from time to time, resolve to administer the Plan, in which case the term "Committee" shall be deemed to mean the Board for all purposes herein. The Committee shall consist of at least two directors. Subject to the provisions of the Plan, the Committee shall be authorized to (i) select persons to participate in the Plan, (ii) determine the form and substance of grants made under the Plan to each participant, and the conditions and restrictions, if any, subject to which such grants will be made, (iii) modify the terms of grants made under the Plan, (iv) interpret the Plan and grants made thereunder, (v) make any adjustments necessary or desirable in connection with grants made under the Plan to eligible participants located outside the United States and (vi) adopt, amend, or rescind such rules and regulations, and make such other determinations, for carrying out the Plan as it may deem appropriate. Decisions of the Committee on all matters

relating to the Plan shall be in the Committee's sole discretion and shall be conclusive and binding on all parties. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with applicable federal and state laws and rules and regulations promulgated pursuant thereto. No member of the Committee and no officer of the Company shall be liable for any action taken or omitted to be taken by such member, by any other member of the Committee or by any officer of the Company in connection with the performance of duties under the Plan, except for such person's own willful misconduct or as expressly provided by statute.

The expenses of the Plan shall be borne by the Company. The Plan shall not be required to establish any special or separate fund or make any other segregation of assets to assume the payment of any award under the Plan, and rights to the payment of such awards shall be no greater than the rights of the Company's general creditors.

4. SHARES AVAILABLE FOR THE PLAN.

Subject to adjustments as provided in Section 15, as of any date the total number of shares of Common Stock with respect to which awards may be granted under the Plan (the "Shares") shall equal the excess (if any) of 10,212,500, over (i) the number of shares of Common Stock subject to outstanding awards under the Plan or the Prior Plans, (ii) the number of shares of Common Stock in respect of which options and stock appreciation rights have been exercised under the Plan or the Prior Plans, and (iii) the number of shares of Common Stock issued pursuant to performance awards or issued subject to forfeiture restrictions which have lapsed under the Plan or the Prior Plans. Such Shares may be in whole or in part authorized and unissued, or shares which are held by the Company as treasury shares. If any grant under the Plan or any Prior Plan expires or terminates unexercised, becomes unexercisable or is forfeited as to any Shares, such unpurchased or forfeited Shares shall thereafter be available for further grants under the Plan unless, in the case of options granted under the Plan or any Prior Plan, related SARs are exercised.

Without limiting the generality of the foregoing provisions of this Section 4 or the generality of the provisions of Sections 3, 6 or 17 or any other section of this Plan, the Committee may, at any time or from time to time, and on such terms and conditions (that are consistent with and not in contravention of the other provisions of this Plan) as the Committee may, in its sole discretion, determine, enter into agreements (or take other actions with respect to the options) for new options containing terms (including exercise prices) more (or less) favorable than the outstanding options.

5. PARTICIPATION.

Participation in the Plan shall be limited to those directors (including Non-Employee Directors), officers (including non-employee officers) and key employees of, and other key individuals performing services for, the Company and its Subsidiaries selected by the Committee (including participants located outside the United States). Nothing in the Plan or in any grant thereunder shall confer any right on a participant to continue in the employ of or the performance of services for the Company or shall interfere in any way with the right of the Company to terminate the employment or performance of services of a participant at any time. By accepting any award

under the Plan, each participant and each person claiming under or through him or her shall be conclusively deemed to have indicated his or her acceptance and ratification of, and consent to, any action taken under the Plan by the Company, the Board or the Committee.

Incentive Stock Options or Nonqualified Stock Options, SARs , alone or in tandem with options, restricted stock awards, performance awards, or any combination thereof, may be granted to such persons and for such number of Shares as the Committee shall determine (such individuals to whom grants are made being sometimes herein called "optionees" or "grantees," as the case may be). Determinations made by the Committee under the Plan need not be uniform and may be made selectively among eligible individuals under the Plan, whether or not such individuals are similarly situated. A grant of any type made hereunder in any one year to an eligible participant shall neither guarantee nor preclude a further grant of that or any other type to such participant in that year or subsequent years.

6. INCENTIVE AND NONQUALIFIED OPTIONS.

The Committee may from time to time grant to eligible participants Incentive Stock Options, Nonqualified Stock Options, or any combination thereof; provided that the Committee may grant Incentive Stock Options only to eligible employees of the Company or its subsidiaries (as defined for this purpose in Section 424(f) of the Code). In any one calendar year, the Committee shall not grant to any one participant, options or SARs to purchase a number of shares of Common Stock in excess of 500,000 shares; provided, however, notwithstanding the foregoing, if an eligible participant was not an employee of the Company prior to January 1 of such calendar year, the Committee may grant such participant options or SARs to purchase a number of shares of Common Stock not to exceed 750,000 shares during such calendar year. The options granted shall take such form as the Committee shall determine, subject to the following terms and conditions.

It is the Company's intent that Nonqualified Stock Options granted under the Plan not be classified as Incentive Stock Options, that Incentive Stock Options be consistent with and contain or be deemed to contain all provisions required under Section 422 of the Code and any successor thereto, and that any ambiguities in construction be interpreted in order to effectuate such intent. If an Incentive Stock Option granted under the Plan does not qualify as such for any reason, then to the extent of such nonqualification, the stock option represented thereby shall be regarded as a Nonqualified Stock Option duly granted under the Plan, provided that such stock option otherwise meets the Plan's requirements for Nonqualified Stock Options.

6.1 PRICE. The price per Share deliverable upon the exercise of each option ("exercise price") shall be established by the Committee, except that in the case of the grant of any Incentive Stock Option, the exercise price may not be less than 100% of the Fair Market Value of a share of Common Stock as of the date of grant of the option, and in the case of the grant of any Incentive Stock Option to an employee who, at the time of the grant, owns more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the exercise price may not be less than 110% of the Fair Market Value of a share of Common Stock as of the date of grant of the option, in each case unless otherwise permitted by Section 422 of the Code.

6.2 PAYMENT. Options may be exercised, in whole or in part, upon payment of the exercise price of the Shares to be acquired. Unless otherwise determined by the Committee, payment shall be made (i) in cash (including check, bank draft or money order), (ii) by delivery of outstanding shares of Common Stock with a Fair Market Value on the date of exercise equal to the aggregate exercise price payable with respect to the options' exercise, (iii) by simultaneous sale through a broker reasonably acceptable to the Committee of Shares acquired on exercise, as permitted under Regulation T of the Federal Reserve Board, (iv) by authorizing the Company to withhold from issuance a number of Shares issuable upon exercise of the options which, when multiplied by the Fair Market Value of a share of Common Stock on the date of exercise is equal to the aggregate exercise price payable with respect to the options so exercised or (v) by any combination of the foregoing. Options may also be exercised upon payment of the exercise price of the Shares to be acquired by delivery of the optionee's promissory note, but only to the extent specifically approved by and in accordance with the policies of the Committee.

In the event a grantee elects to pay the exercise price payable with respect to an option pursuant to clause (ii) above, (A) only a whole number of share(s) of Common Stock (and not fractional shares of Common Stock) may be tendered in payment, (B) such grantee must present evidence acceptable to the Company that he or she has owned any such shares of Common Stock tendered in payment of the exercise price (and that such tendered shares of Common Stock have not been subject to any substantial risk of forfeiture) for at least six months prior to the date of exercise, and (C) Common Stock must be delivered to the Company. Delivery for this purpose may, at the election of the grantee, be made either (A) physical delivery of the certificate(s) for all such shares of Common Stock tendered in payment of the price, accompanied by duly executed instruments of transfer in a form acceptable to the Company, or (B) direction to the grantee's broker to transfer, by book entry, such shares of Common Stock from a brokerage account of the grantee to a brokerage account specified by the Company. When payment of the exercise price is made by delivery of Common Stock, the difference, if any, between the aggregate exercise price payable with respect to the option being exercised and the Fair Market Value of the share(s) of Common Stock tendered in payment (plus any applicable taxes) shall be paid in cash. No grantee may tender shares of Common Stock having a Fair Market Value exceeding the aggregate exercise price payable with respect to the option being exercised (plus any applicable taxes).

In the event a grantee elects to pay the exercise price payable with respect to an option pursuant to clause (iv) above, (A) only a whole number of Share(s) (and not fractional Shares) may be withheld in payment and (B) such grantee must present evidence acceptable to the Company that he or she has owned a number of shares of Common Stock at least equal to the number of Shares to be withheld in payment of the exercise price (and that such owned shares of Common Stock have not been subject to any substantial risk of forfeiture) for at least six months prior to the date of exercise. When payment of the exercise price is made by withholding of Shares, the difference, if any, between the aggregate exercise price payable with respect to the option being exercised and the Fair Market Value of the Share(s) withheld in payment (plus any applicable taxes) shall be paid in cash. No grantee may authorize the withholding of Shares having a Fair Market Value exceeding the aggregate exercise price payable with respect to the option being exercised (plus any applicable taxes). Any withheld Shares shall no longer be issuable under such option.

6.3 TERMS OF OPTIONS. The term during which each option may be exercised shall be determined by the Committee, but, except as otherwise provided herein, in no event shall an option be exercisable in whole or in part, in the case of a Nonqualified Stock Option or an Incentive Stock Option (other than as described below), more than ten years from the date it is granted or, in the case of an Incentive Stock Option granted to an employee who at the time of the grant owns more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, if required by the Code, more than five years from the date it is granted. All rights to purchase Shares pursuant to an option shall, unless sooner terminated, expire at the date designated by the Committee. The Committee shall determine the date on which each option shall become exercisable and may provide that an option shall become exercisable in installments. The Shares constituting each installment may be purchased in whole or in part at any time after such installment becomes exercisable, subject to such minimum exercise requirements as may be designated by the Committee. Unless otherwise provided herein or in the terms of the related grant, an optionee may exercise an option only if he or she is, and has continuously since the date the option was granted, been a director, officer or employee of or performed other services for the Company or a Subsidiary. Prior to the exercise of an option and delivery of the Shares represented thereby, the optionee shall have no rights as a stockholder with respect to any Shares covered by such outstanding option (including any dividend or voting rights).

6.4 LIMITATIONS ON GRANTS. If required by the Code, the aggregate Fair Market Value (determined as of the grant date) of Shares for which an Incentive Stock Option is exercisable for the first time during any calendar year under all equity incentive plans of the Company and its Subsidiary Corporations (as defined in Section 424 of the Code) may not exceed \$100,000.

6.5 TERMINATION; CHANGE IN CONTROL. Except as may otherwise be provided by the Committee:

(a) If a participant ceases to be a director, officer or employee of, or to perform other services for, the Company and any Subsidiary due to the death of the participant, all of the participant's options and SARs shall become fully vested and exercisable and shall remain so for a period of 24 months from the date of such death but in no event after the expiration date of the options or SARs.

(b) If a participant ceases to be a director, officer or employee of, or to perform other services for, the Company and any Subsidiary upon the occurrence of his or her Retirement, (A) all of the participant's options and SARs that were exercisable on the date of Retirement shall remain exercisable for, and shall otherwise terminate at the end of, a period of up to 90 days after the date of Retirement, but in no event after the expiration date of the options or SARs and (B) all of the participant's options and SARs that were not exercisable on the date of Retirement shall be forfeited immediately upon such Retirement.

(c) If a participant ceases to be a director, officer or employee of, or to perform other services for, the Company or a Subsidiary due to Cause, all of the participant's options and SARs shall be forfeited immediately upon such cessation, whether or not then exercisable.

(d) If a participant ceases to be a director, officer or employee of, or to otherwise perform services for, the Company or a Subsidiary for any reason other than death, Retirement or Cause, (A) all of the participant's options and SARs that were exercisable on the date of such cessation shall remain exercisable for, and shall otherwise terminate at the end of, a period of 90 days after the date of such cessation, but in no event after the expiration date of the options or SARs and (B) all of the participant's options and SARs that were not exercisable on the date of such cessation shall be forfeited immediately upon such cessation. The Committee may, at its sole discretion, determine (i) whether any leave of absence (including short-term or long-term disability or medical leave) shall constitute a termination of employment for purposes of this Plan and (ii) the impact, if any, of any such leave on outstanding awards under the Plan.

(e) If there is a Change in Control, all of the participant's options and SARs shall become fully vested and exercisable immediately prior to such Change in Control and shall remain so until the expiration date of the options and SARs.

6.6 GRANT OF RELOAD OPTIONS. The Committee may provide (either at the time of grant or exercise of an option), in its discretion, for the grant to a grantee who exercises all or any portion of an option ("Exercised Options") and who pays all or part of such exercise price with shares of Common Stock, of an additional option (a "Reload Option") for a number of shares of Common Stock equal to the sum (the "Reload Number") of the number of shares of Common Stock tendered or withheld in payment of such exercise price for the Exercised Options plus, if so provided by the Committee, the number of shares of Common Stock, if any, tendered or withheld by the grantee or withheld by the Company in connection with the exercise of the Exercised Options to satisfy any federal, state or local tax withholding requirements. The terms of each Reload Option, including the date of its expiration and the terms and conditions of its exercisability and transferability, shall be the same as the terms of the Exercised Option to which it relates, except that (i) the grant date for each Reload Option shall be the date of exercise of the Exercised Option to which it relates and (ii) the exercise price for each Reload Option shall be the Fair Market Value of the Common Stock on the grant date of the Reload Option.

7. STOCK APPRECIATION RIGHTS.

The Committee shall have the authority to grant SARs under this Plan, either alone or to any optionee in tandem with options (either at the time of grant of the related option or thereafter by amendment to an outstanding option). SARs shall be subject to such terms and conditions as the Committee may specify.

No SAR may be exercised unless the Fair Market Value of a share of Common Stock of the Company on the date of exercise exceeds the exercise price of the SAR or, in the

case of SARs granted in tandem with options, any options to which the SARs correspond. Prior to the exercise of the SAR and delivery of the cash and/or Shares represented thereby, the participant shall have no rights as a stockholder with respect to Shares covered by such outstanding SAR (including any dividend or voting rights).

SARs granted in tandem with options shall be exercisable only when, to the extent and on the conditions that any related option is exercisable. The exercise of an option shall result in an immediate forfeiture of any related SAR to the extent the option is exercised, and the exercise of an SAR shall cause an immediate forfeiture of any related option to the extent the SAR is exercised.

Upon the exercise of an SAR, the participant shall be entitled to a distribution in an amount equal to the difference between the Fair Market Value of a share of Common Stock on the date of exercise and the exercise price of the SAR or, in the case of SARs granted in tandem with options, any option to which the SAR is related, multiplied by the number of Shares as to which the SAR is exercised (less any applicable taxes). The Committee shall decide whether such distribution shall be in cash, in Shares having a Fair Market Value equal to such amount, in Other Company Securities having a Fair Market Value equal to such amount or in a combination thereof.

All SARs will be exercised automatically on the last day prior to the expiration date of the SAR or, in the case of SARs granted in tandem with options, any related option, so long as the Fair Market Value of a share of Common Stock on that date exceeds the exercise price of the SAR or any related option, as applicable. An SAR granted in tandem with options shall expire at the same time as any related option expires and shall be transferable only when, and under the same conditions as, any related option is transferable.

8. RESTRICTED STOCK.

The Committee may at any time and from time to time grant Shares of restricted stock under the Plan to such participants and in such amounts as it determines. Each grant of restricted stock shall specify the applicable restrictions on such Shares, the duration of such restrictions (which shall be at least 1 year except as otherwise provided in the third paragraph of this Section 8), and the time or times at which such restrictions shall lapse with respect to all or a specified number of Shares that are part of the grant.

The participant will be required to pay the Company the aggregate par value of any Shares of restricted stock (or such larger amount as the Board may determine to constitute capital under Section 154 of the Delaware General Corporation Law, as amended) within ten days of the date of grant, unless such Shares of restricted stock are treasury shares. Unless otherwise determined by the Committee, certificates representing Shares of restricted stock granted under the Plan will be held in escrow by the Company on the participant's behalf during any period of restriction thereon and will bear an appropriate legend specifying the applicable restrictions thereon, and the participant will be required to execute a blank stock power therefor. Except as

otherwise provided by the Committee, during such period of restriction the participant shall have all of the rights of a holder of Common Stock, including but not limited to the rights to receive dividends and to vote, and any stock or other securities received as a distribution with respect to such participant's restricted stock shall be subject to the same restrictions as then in effect for the restricted stock.

Except as may otherwise be provided by the Committee, (a) immediately prior to a Change in Control or at such time as a participant ceases to be a director, officer or employee of, or to otherwise perform services for, the Company and its Subsidiaries due to death or Retirement during any period of restriction, all restrictions on Shares granted to such participant shall lapse, and (b) at such time as a participant ceases to be a director, officer or employee of, or to otherwise perform services for, the Company or its Subsidiaries for any other reason, all Shares of restricted stock granted to such participant on which the restrictions have not lapsed shall be immediately forfeited to the Company.

9. PERFORMANCE AWARDS.

Performance awards may be granted to participants at any time and from time to time as determined by the Committee. The Committee shall have complete discretion in determining the size and composition of performance awards so granted to a participant and the appropriate period over which performance is to be measured (a "performance cycle"). Performance awards may include (i) specific dollar-value target awards (ii) performance units, the value of each such unit being determined by the Committee at the time of issuance, and/or (iii) performance Shares, the value of each such Share being equal to the Fair Market Value of a share of Common Stock.

The value of each performance award may be fixed or it may be permitted to fluctuate based on a performance factor (e.g., return on equity) selected by the Committee.

The Committee shall establish performance goals and objectives for each performance cycle on the basis of one or more of the following five measurements of the Company's performance for the relevant period, as such measurements may be adjusted for merger costs as presented on the Company's audited financial statements: pre-tax earnings, net earnings, earnings per share, return on assets and return on equity. During any performance cycle, the Committee shall have the authority to adjust the performance goals and objectives for such cycle for such reasons as it deems equitable to the extent permitted under Section 162(m) of the Code.

The Committee shall determine the portion of each performance award that is earned by a participant on the basis of the Company's performance over the performance cycle in relation to the performance goals for such cycle. The earned portion of a performance award may be paid out in Shares, cash, Other Company Securities, or any combination thereof, as the Committee may determine.

A participant must be a director, officer or employee of, or otherwise perform services for, the Company or its Subsidiaries at the end of the performance cycle in order to be entitled to payment of a performance award issued in respect of such cycle; provided, however, that, except as otherwise provided by the Committee, (a) if a participant ceases to be a director, officer or employee of, or to otherwise perform services for, the Company and its Subsidiaries upon his or her death or Retirement prior to the end of the performance cycle, the participant shall earn a proportionate portion of the performance award based upon the elapsed portion of the performance cycle and the Company's performance over that portion of such cycle and (b) in the event of a Change in Control, a participant shall earn no less than the portion of the performance award that the participant would have earned if the performance cycle(s) had terminated as of the date of the Change in Control.

10. WITHHOLDING TAXES.

(a) PARTICIPANT ELECTION. The Committee may provide that a participant may be permitted to elect to deliver shares of Common Stock (or have the Company withhold shares acquired upon exercise of an option or SAR or deliverable upon grant or vesting of restricted stock, as the case may be) to satisfy, in whole or in part, the amount the Company is required to withhold for taxes in connection with the exercise of an option or SAR or the delivery of restricted stock upon grant or vesting, as the case may be. Such election must be made on or before the date the amount of tax to be withheld is determined. Once made, the election shall be irrevocable. The fair market value of the shares to be withheld or delivered will be the Fair Market Value as of the date the amount of tax to be withheld is determined. In the event a participant elects to deliver shares of Common Stock pursuant to this Section 10(a), such delivery must be made subject to the conditions and pursuant to the procedures set forth in Section 6(b) with respect to the delivery of Common Stock in payment of the exercise price of options.

(b) COMPANY REQUIREMENT. The Company may require, as a condition to any grant or exercise under the Plan, to the payment of any SAR or to the delivery of certificates for Shares issued hereunder, that the grantee make provision for the payment to the Company, either pursuant to Section 10(a) or this Section 10(b), of any federal, state or local taxes of any kind required by law to be withheld with respect to any grant or payment or any delivery of Shares. The Company, to the extent permitted or required by law, shall have the right to deduct from any payment of any kind (including salary or bonus) otherwise due to a grantee, an amount equal to any federal, state or local taxes of any kind required by law to be withheld with respect to any grant or payment or to the delivery of Shares under the Plan, or to retain or sell without notice a sufficient number of the Shares to be issued to such grantee to cover any such taxes, the payment of which has not otherwise been provided for in accordance with the terms of the Plan, provided that the Company shall not sell any such Shares if such sale would be considered a sale by such grantee for purposes of Section 16 of the Exchange Act that is not exempt from matching thereunder.

11. WRITTEN AGREEMENT; VESTING.

Each employee to whom a grant is made under the Plan shall enter into a written agreement with the Company that shall contain such provisions, including without limitation vesting requirements, consistent with the provisions of the Plan, as may be approved by the Committee. Unless the Committee may otherwise provide and except as otherwise provided in Sections 6, 7, 8 and 9 in connection with a Change of Control or certain occurrences of termination, no grant under this Plan may be exercised, and no restrictions relating thereto may lapse, within six months of the date such grant is made.

12. TRANSFERABILITY.

Unless the Committee determines otherwise, no option, SAR, performance award, or restricted stock granted under the Plan shall be transferable by a participant otherwise than by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code. Unless the Committee determines otherwise, an option, SAR, or performance award may be exercised only by the optionee or grantee thereof or his guardian or legal representative; provided that Incentive Stock Options may be exercised by such guardian or legal representative only if permitted by the Code and any regulations promulgated thereunder.

13. LISTING, REGISTRATION AND QUALIFICATION.

If the Committee determines that the listing, registration or qualification upon any securities exchange or under any law of Shares subject to any option, SAR, performance award or restricted stock grant is necessary or desirable as a condition of, or in connection with, the granting of same or the issue or purchase of Shares thereunder, no such option or SAR may be exercised in whole or in part, no such performance award may be paid out and no Shares may be issued unless such listing, registration or qualification is effected free of any conditions not acceptable to the Committee.

It is the intent of the Company that the Plan comply in all respects with Section 162(m) of the Code, that awards made hereunder comply in all respects with Rule 16b-3 under the Exchange Act, that any ambiguities or inconsistencies in construction of the Plan be interpreted to give effect to such intention and that if any provision of the Plan is found not to be in compliance with Section 162(m), such provision shall be deemed null and void to the extent required to permit the Plan to comply with Section 162(m), as the case may be.

14. TRANSFER OF EMPLOYEE.

The transfer of an employee from the Company to a Subsidiary, from a Subsidiary to the Company, or from one Subsidiary to another shall not be considered a termination of employment; nor shall it be considered a termination of employment if an employee is placed on military, disability or sick leave or such other leave of absence which is considered by the Committee as continuing intact the employment relationship.

15. ADJUSTMENTS.

In the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, distribution of assets, or any other change in the corporate structure or shares of the Company, the Committee shall make such adjustment as it deems appropriate in the number and kind of Shares or other property reserved for issuance under the Plan, in the number and kind of Shares or other property covered by grants previously made under the Plan, and in the exercise price of outstanding options and SARs. Any such adjustment shall be final, conclusive and binding for all purposes of the Plan. In the event of any merger, consolidation or other reorganization in which the Company is not the surviving or continuing corporation or in which a Change in Control is to occur, all of the Company's obligations regarding options, SARs performance awards, and restricted stock that were granted hereunder and that are outstanding on the date of such event shall, on such terms as may be approved by the Committee prior to such event, be assumed by the surviving or continuing corporation or canceled in exchange for property (including cash).

Without limitation of the foregoing, in connection with any transaction of the type specified by clause (iii) of the definition of a Change in Control in Section 2(c), the Committee may, in its discretion, (i) cancel any or all outstanding options under the Plan in consideration for payment to the holders thereof of an amount equal to the portion of the consideration that would have been payable to such holders pursuant to such transaction if their options had been fully exercised immediately prior to such transaction, less the aggregate exercise price that would have been payable therefor, or (ii) if the amount that would have been payable to the option holders pursuant to such transaction if their options had been fully exercised immediately prior thereto would be less than the aggregate exercise price that would have been payable therefor, cancel any or all such options for no consideration or payment of any kind. Payment of any amount payable pursuant to the preceding sentence may be made in cash or, in the event that the consideration to be received in such transaction includes securities or other property, in cash and/or securities or other property in the Committee's discretion.

16. TERMINATION AND MODIFICATION OF THE PLAN.

The Board of Directors or the Committee, without approval of the stockholders, may modify or terminate the Plan, except that no modification shall become effective without prior approval of the stockholders of the Company if stockholder approval would be required for continued compliance with the performance-based compensation exception of Section 162(m) of the Code or any listing requirement of the principal stock exchange on which the Common Stock is then listed.

17. AMENDMENT OR SUBSTITUTION OF AWARDS UNDER THE PLAN.

The terms of any outstanding award under the Plan may be amended from time to time by the Committee in its discretion in any manner that it deems appropriate (including, but not limited to, acceleration of the date of exercise of any award and/or payments thereunder or

of the date of lapse of restrictions on Shares); provided that, except as otherwise provided in Section 15, no such amendment shall adversely affect in a material manner any right of a participant under the award without his or her written consent. The Committee may, with the grantee's consent, cancel any award under the Plan and issue a new award in substitution therefor upon such terms as the Committee may in its sole discretion determine, provided that the substituted award shall satisfy all applicable Plan requirements as of the date such new award is made; and further provided, notwithstanding the foregoing or any other provision of this Plan, that in no event shall an option or stock appreciation right be granted in substitution for a previously granted option or stock appreciation right, with the old award being canceled or surrendered as a condition of receiving the new award, if the new award would have a lower option exercise price or stock appreciation right appreciation base than the award it replaces. The foregoing is not intended to prevent equitable adjustment of awards upon the occurrence of certain events as herein provided, for example, without limitation, adjustments pursuant to Section 15.

18. COMMENCEMENT DATE; TERMINATION DATE.

The date of commencement of the Plan shall be October 1, 1997, subject to approval by the stockholders of the Company. Unless previously terminated upon the adoption of a resolution of the Board terminating the Plan, no Incentive Stock Options shall be issued under this plan after the close of business on September 30, 2007. No termination of the Plan shall materially and adversely affect any of the rights or obligations of any person, without his consent, under any grant of options or other incentives theretofore granted under the Plan.

19. GOVERNING LAW.

The Plan shall be governed by the corporate laws of the State of Delaware, without giving effect to any choice of law provisions.

Ladies and Gentlemen:

We have acted as counsel to you (the "Company") in connection with the preparation of a Registration Statement on Form S-8 (the "Registration Statement") pertaining to the registration under the Securities Act of 1933 of an offering of an additional 4,975,000 shares of the Company's Common Stock, \$0.01 par value (the "Registered Shares") pursuant to the Office Depot, Inc. Long-Term Equity Incentive Plan (the "Plan").

Subject to the limitations stated in this letter, it is our opinion that Registered Shares issued by the Company for purchase under the Plan will upon such delivery and receipt by the Company of all consideration owed to the Company under the terms of the Plan be validly issued, fully paid and nonassessable.

We have relied without independent investigation upon an assurance from the Company's Secretary that the number of shares which the Company is authorized to issue in its Certificate of Incorporation exceeds the number of shares outstanding and the number of shares which the Company is obligated to issue (or had otherwise reserved for issuance) for any purposes other than issuance in connection with options granted under the Plan by at least the number of shares which may be issued in connection with the Plan, and we have assumed that such condition will remain true at all future times relevant to this opinion. We have assumed that the Company will cause certificates representing Registered Shares issued in the future to be properly executed and delivered and will take all other actions appropriate for the issuance of such shares. We express no opinion regarding any shares reacquired by the Company after initial issuance. Our opinion does not cover any law other than the Delaware Corporation Law.

We do not find it necessary for the purposes of this opinion, and accordingly do not purport to cover herein, the application of securities of "Blue Sky" laws of the various states to the offer or sale of the Registered Shares.

We consent to the filing of this letter as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission thereunder.

Sincerely yours,
